These early Female Shaman provide an unbroken lineage of Shamanic Priestesses that emerged in Crete and the Mediterranean area in the late Bronze Age but arose from the confluence of earlier streams of Woman Shamans from Africa, Europe, and Asia. Descendants of these special - but ordinary women.

Woman As Shaman

A Chukchee proverb declares, "Woman is by nature a shaman." (1) Yet the female dimension of this realm of spiritual experience has often been slighted. Mircea Eliade believed that women shamans represented a degeneration of an originally masculine profession, yet was hard put to explain why so many male shamans customarily dressed in women's clothing and assumed other female-gendered behaviors.

Shaman Woman Mainline Lady Women's Writing on the Drug ...

Shamanism is a religious practice that involves a practitioner, a shaman, who is believed to interact with a spirit world through altered states of consciousness, such as trance. The goal of this is usually to direct these spirits or spiritual energies into the physical world, for healing or some other purpose.
