The VFR800F's self-cancelling indicator system is unique to Honda. Rather than using a simple timer it compares front and rear wheel speed difference and calculates when to cancel the turn indication relative to the riding situation..

2015 Honda Interceptor VFR800F Review - Total Motorcycle

Honda VFR800F (2014-current): Review & Buying Guide The original VFR750, in three different guises between 1986 and 1998 was a legendary V4 sports-tourer. That reputation dwindled slightly with the subsequent 800 and particularly with the fussy and flawed V-TEC, variable valve-timing version from 2001 until it was finally killed off in 2012.

Honda VFR800F (2014-current): Review & Buying Guide

Almost all King-built engines get broken in on our dyno and tuned here to produce peak WHP. If the customer's car is not available, we have project vehicles equipped to allow installation of any D, B, H or K series.
